**Notice Type:** Approval Notice  
**COA:** IR6  
**Admission Date:** 08/22/2019

**Congratulations! USCIS approved your request to remove the conditions on your permanent resident status. You are deemed to be a lawful permanent resident of the United States as of the date of your original admission or adjustment of status.**

You should receive a new Permanent Resident Card (Form I-551, also known as a Green Card) within 60 days. Your card will include a mailer, Form I-797D, with important information about your status and responsibilities, as well as permanent resident services available to you.

Please be aware that if you have an attorney or accredited representative, submitted a properly completed Notice of Entry of Appearance as Attorney or Accredited Representative (Form G-28), AND you selected 1b in Part 4, Client's Consent to Representation and Signature on your Form G-28, USCIS will mail your Green Card to your attorney or accredited representative.

You should not travel outside the United States until you receive your new Green Card, as you may have difficulty reentering the United States. If an emergency arises and you have a need to travel outside the United States before you receive your Green Card, you may make an appointment at your local USCIS office to request an I-551 stamp in your passport that shows temporary evidence of status as a lawful permanent resident. Please be aware that USCIS field office management determines whether to issue an I-551 stamp on a case-by-case basis. To make an appointment at your local USCIS office, please visit [www.uscis.gov](http://www.uscis.gov).
