Notice Type: Approval Notice
Valid from: 10/13/2022 to 10/19/2023

You have been granted Temporary Protected Status (TPS) under section 244 of the Immigration and Nationality Act. The benefits of TPS are temporary protection from removal (or deportation), employment authorization in the United States, and the opportunity to apply for travel authorization.

Attached to this notice is a Form I-94 indicating your Temporary Protected Status in the United States. The I-94 is valid until the expiration date shown on it.

If you requested an employment authorization document (EAD) pursuant to your registration for TPS, you will receive a separate notice containing the decision on that request. If your EAD request is approved, you will be issued an EAD that will be valid until the expiration date shown on the EAD itself. The EAD will serve as evidence of your TPS and employment authorization.

If the TPS designation is extended, you must re-register with U.S. Citizenship and Immigration Services (USCIS) within the time period designated for re-registration. If you wish to obtain an EAD valid for the time period of the extended TPS designation, you must also apply for an EAD during the filing period(s) described in the applicable Federal Register notice (FRN). The FRN notice will provide guidance on required forms and application fees to re-register for TPS and to apply for a new EAD. You should also pay close attention to any future FRNs issued by USCIS regarding your country's TPS, including any information that may be included in such notices about possible automatic extensions of the validity date(s) on EADs.

Failure to re-register during a TPS extension re-registration period may result in the withdrawal of your TPS and may result in removal proceedings being initiated against you.

While you are under Temporary Protected Status, you:
